

WORSHIP IS A WEAPON OF SPIRITUAL WARFARE

20190310-1

Earlier, you were singing about how you fight your battles. I would say to you, if you understood, really understood how your worship is a weapon of spiritual warfare, you would spend more time worshipping Me. Because you see, the glory that is released from worship that flows from the heart of My children, it becomes a force that impacts the enemy and it does tear down strongholds.

For many of My children, the key to their breakthrough is not a deliverance course; it is time spent worshipping Me. Worship will release from within you a glory that I have deposited in you. And worship will also take you into a place of a greater level of My glory that I release to you.

Worship is a weapon of spiritual warfare. And you can inflict great damage against the enemy and into the camp of the enemy when you worship Me. So take heed to this and know that when you worship Me, I am there to help you fight those battles; for have I not said that the victory is Mine and I pass it on to you?

You are mighty in this world and you are overcomers because of what My Son Jesus has done for you. You are more than conquerors. The enemy knows this. And so I encourage you, worship Me and you'll begin to see victories take place in your life that you did not think would take place. I have given this to you. I have ordained it for you. So use this weapon against the enemy and you will see victory, says the Lord.

GOD DOESN'T WANT US RUINED

20190310-2

Many men, they have started, but their house came to much ruin. Our Father, our Father, He doesn't want that for us. He doesn't want that for us. So count the cost. Count the cost. He doesn't want you ruined. He doesn't want you ruined. He has watched as many have tried and they have fallen, but He doesn't want you ruined. He doesn't want you ruined. So spend the time now. Spend the time now. Spend the time now. Now is the day. Now is the day. Now is the time. Your salvation is at hand.

WE ARE HOLY AND ANOINTED

20190319-3

While we were singing that (song) "Holy and Anointed One," He said, "So are you." He said, "Did I not say in My Word that you are created in My righteousness and true holiness? Did I not say in My Word that you have an anointing that abides within?" We are not deity, but from His perspective, we are holy and anointed. Hallelujah!
