

YOU ARE CLEANSED AND PURGED

8/16/2020

If you truly understood how clean I have made you, and how powerful My blood is to clean you, you would never again bring up your past that has been purged. If you truly understood how clean you have become before Me, you would never again complain about how unworthy you feel. You would never again look at yourself through the eyes of self-condemnation, not believing what I've done in you. If you can grasp how perfectly clean I have made you, you would be able to rejoice in your salvation at a level beyond anything you've ever known or understood to this day. When I say that I have cleansed you and made you whole, that is exactly what I have done. I do not hold your past against you. You have been made clean. **You have been made clean.** What I call clean, do not call soiled. I purged you with My Blood. So now I say to you, live in the purity of your salvation and know My joy, says the Lord.
