

GOD IS WORKING; YOU ARE HIS BELOVED

July 12, 2020 SPM

The Lord just said some of you have been praying for unsaved loved ones and He says that basically, He's working even when we don't see it. He's just reassuring us just to leave them in His hands, to not worry, to not fret, to not allow fear to come in.

Pastor Dave used to say leave them in "A Place Called Done." That's what I'm sensing tonight. I'm sensing your worry doesn't add anything. So the Lord is saying, Stop worrying and just trust Me. Because when you don't see anything He's working. If that is your declaration tonight, just lay it down again before Him. Just lay it down at His feet again. Just say, "God I trust You. I trust you with this one or that one or whoever it is."

The Lord just want to sing over you. That's what He just said to my heart. He wants to sing over you. You are My Beloved. You are My Beloved. I have so much good that I plan for you, so much good that I plan for you. I see you as beautiful. I see you as enough. So don't doubt. Just keep pressing in to Me. For you are My Beloved and I love you so much. I love you so much.
