

**TASTE AND SEE**  
**August 30, 2020**

Come unto Me all you who are weary and heavy laden and I will give you rest. Take of Me. Learn of Me. My yoke is easy and My burden is light.

\*\*\*\*\*

As I have said in My Word, taste and see that I am good. You may think that sounds rather strange for Me to tell you to taste and see that I am good. What I mean by that is this: make a decision to experience Me. Make a decision to experience Me.

When you sit down at a dinner table, you really don't know if the food is good or not until you make a decision to experience that food. The way you do that is to put it in your mouth.

The same with Me. There are so many people that come to church and they sit in the church and yet, they never make the decision to truly focus on Me and to understand My goodness.

There are so many of My children who blame Me for things that I have not done. When I say taste and see that I am good, how can I be good if I am the source of all your conflict, all your sickness, all your problems? How can I be good?

But I say to you I am a good God because I am love. If you will press into Me, truly make a decision to seek Me, to know Me, you will understand My goodness. You'll also understand how many lies have been spoken about Me over the years.

If you will let Me, I will prove My goodness to you. But you must make a decision to trust Me instead of the things that you have heard about Me that would distract you from My goodness. I am a good God and I can be trusted.

The condition of this world is not My fault. It the fault of those who continue to choose evil over righteousness. So put your faith in Me and trust Me like never before. I will not fail you. I am a good God.
