

UNTIE THE BOW
2020-09-06

I just saw a picture and it was this gift and it was all wrapped up with a red bow on the top. And the Lord says, You need to untie that bow, that neat package that you have that is always so neat and perfect. You need to untie that bow and unwrap that package because (I've) been trying to do things in you for a very long time and you've been stopping (Me) and saying, 'Please don't touch my beautiful little present,' which is really just you.

He's beginning to shake your world and it's on purpose. It's on purpose. He's beginning to shake each and every one of us and it's on purpose. It's on purpose! So, instead of holding Him back, begin to say "Yes Lord." Begin to say "Yes Lord." This is for the young people too, for everyone in this place and everyone hearing. Begin to allow Him to lead your life. [Hallelujah. Jesus. Holy Spirit. Holy Spirit, we say "Yes Lord." We say "Lord have your way. Have your way Lord."]
