

CLOSER TO A BREAKTHROUGH
09/13/2020 SAM

The Lord says you're getting closer and closer to a major breakthrough in the Spirit. You've labored, you have travailed, and you have pressed forward, and I want you to know that you're getting close. You need to continue doing these things and, in many cases, intensify and increase what you're doing because you are headed toward a major breakthrough in the realm of the Spirit.

Know this, that I indeed am keeping My Word to you, My promise that I am working in you to will and to do of My good pleasure. The more that you press into Me, My good pleasure becomes your good pleasure.

I beseech you to continue, **continue** pressing into Me. Some of you are further along than others. But for those of you who have not been as diligent to these things, I encourage you. There is so much of My Glory that is waiting for you, a level of My Presence that you've never experienced. But it is waiting for you.

So continue, **continue** in these things. As you do, your life will begin to change and you'll begin to seek Me with more intensity than you have in the past and it will not require as much effort as what you now think.

My Son Jesus, He did not think it strange to spend hours with Me in My Presence and fellowshiping with Me. That's because He had lost an interest in so much that the world has to offer.

The same is true for you. If you will continue pressing into Me your perspectives in this life will change. And that which you thought would be too difficult in your walk with Me, you will find to be very, very easy.

Do not give up. Do not become weary. Continue pressing into Me for you are getting closer and closer to a major breakthrough in the Spirit, says the Lord.
