

DON'T BE OVERWHELMED
November 11, 2020

Do not let your heart be overwhelmed. Some of you have been at the place to where you're about ready to throw in the towel, as you've heard it said. But I want you to know, I am always aware of the beginning and the end, and I know My thoughts and My plans for you and your life. I say to you, do not give up hope, do not let your heart be overwhelmed. Continue to trust in Me. Your emotions will not come in agreement with what I have just said; but I am telling you, the power of My life in you is in full agreement with what I just said. Bring your emotions into subjection to who you are in Me. Live victoriously and remember the power and the life of the Way Maker lives in you, says the Lord.
