THURSDAY PM 9-13-2012 THE MODEL FOR OUR DESTINY

John 6:38...5:17 & 19 & 30...12:49-50...John 14:6-10

Colos 1:9-15 (Rom 8:29)...Eph 4:15...John 14:12

If you want to know the level at which the sheep are walking, just listen to what their shepherds say. Keep in mind that the shepherds are usually further along in God than the flock they oversee. If each pastor represents 100 sheep, multiply what they preach and teach by 100 and you'll have a rough idea of how wide spread their doctrine is, whether it is right or wrong.

Your humanity is not an excuse for failing to live up to the standards of God's life in you. His life is greater than any potential failure related to your existence as a human. You are to conform to His image, not remain conformed to fallen humanity. You are to think from the mind of Christ, not rationalize and conclude according the pattern of thought that governs the lives of the lost. Your body is, indeed, human; but the life in your body is supernatural. This is why you can live as Christ in the world.

Most Christians, including those who are filled with the Holy Spirit, live on one move of God after another with the times in between being fraught with indecision, confusion and questions about what God is doing. You were never intended to live from move to move; you are supposed to live with a spirit that is transformed to the nature you received when you were born again. Such transformation takes you to the place of on-going, continual fellowship with your Father in the same way that (I) was in fellowship with Him. The reason this seems so foreign and impossible is because you have not even transformed to the place that you can see such a fellowship as being a living reality.

When Christians don't understand something, they generally develop their own explanation without truly consulting God. Then, those explanations become their doctrine that they add to scripture, isolating and displacing verses from their context in an attempt to support and defend the explanation. Many times, these explanations are based on what they feel and what they want to see take place. Consider what happened with James and John when they wanted to call down fire from heaven to destroy those who rejected Me. They honestly thought they were suggesting what I would want done, but they had misinterpreted My purpose for being on earth. (Luke 9:51-56)

There is a way to know how to become like Jesus and that way is revealed in God's word.

FRIDAY PM 9-14-2012 INSTRUCTIONS FROM THE CORNERSTONE

(Heb. 12:2) John 12:48

Eph 2:11-20... Matt 7:24-29...Psalm 11:1-3

Eph. 4:7-8, 11-16...These are supposed to be using exclusively Eph. 2:20 teachings.

John 17:4...John 16:7...14:16-17, 26 & 16:13-15 (John 12:49-50 & 5:19)

[As from the Father] What Jesus said in John 16:14 about the Holy Spirit is the key to understanding what the Holy Spirit is doing in John 14:26, John 16:13-15, Romans 8, 1 Corinthians 14 and Jude 19-20. It is all about glorifying Jesus. Praying out your Ephesians 4:7-12 ministry gift/calling is about bringing forth My glory in you and glorifying Jesus relative to His desire for that gift given to you. The Holy Spirit receives from Jesus (John 16:14) His knowledge and desire for your ministry calling and works to show it unto you..... [as we pray in tongues.]

[As from the Father] If the Holy Spirit has been sent to glorify Jesus, how is He able to fulfill that responsibility if He refuses to administer Jesus' healing power to those who are sick, afflicted, diseased, or maimed? What glory does Jesus receive when people are not healed? Why were the sick, afflicted, diseased and maimed people in the New Testament more valuable to Me than people today? Why has He been a respecter of persons by healing people in the New Testament and refusing to heal people today? If Jesus receives glory through people remaining sick today, why did He refuse to receive that glory when He was on earth?

[As from Jesus] Just because you see almost no red lettered words from Acts through Jude does not mean I stopped talking. As the Cornerstone for the Apostles and Prophets, I continued to speak. I spoke to them what they recorded in the New Testament from the Book of Acts to the end of the Bible. The instructions they recorded in their writings are instructions from Me to My Church for spiritual growth. What has been recorded in My word is the sum total of what causes you to become like Me. There is no other way to mature spiritually outside of what I have said in My word. I say this again to you: there is NO other way to mature spiritually outside of what I have said in My word. If you refuse to accept what I have said concerning that which is necessary for your spiritual growth, you will stand accountable in judgment for rejecting My words, just as I said in John 12:48.

"But what exactly is it that I have to do? What does Jesus expect of me concerning the Holy Spirit? What exactly is the Holy Spirit going to do?"

SATURDAY PM 9-15-2012 THE MISSION OF THE COMFORTER

John 12:48

John 16:7...14:16-17, 26 & 16:13-15 (John 12:49-50 & 5:19) If this just happened automatically..

Eph 2:19-20... Eph. 4:7-8, 11-16... 2:21-22

Colos 1:12-14...Rom 14:17 & 15:13

2 Cor 3:18

Acts 1:8...10:38...2:1-4...8:5-19 *God wants to work His power through you than you want Him to. Your desire for power is not what qualifies you for power. You must fellowship with Him for transformation into His character and attributes, thus establishing a path in your spirit through which His power can flow.*

1 Cor 2:6-16

1 Cor 14:2, 4, 14

1 John 2:26-27 *If you are not at the place where you can hear (Me) God speak and you are not spending time praying in the Spirit, you are left to your own reasoning and religious logic when it comes to determining what is and is not truth, and what is and is not a correct interpretation of scripture.*

Jude 1:20-21...Rom 5:5

Rom 8:26-28 *Praying in tongues will draw out a map for your life and ministry.*

PRAYER *(in the Spirit), fasting, worship and the word each impact a Believer from a different perspective in a different way and area of that person's life. God will work in us to the maximum level possible in each area of change produced by those things.*

WHAT *Jesus said in John 16:14 about the Holy Spirit is the key to understanding what the Holy Spirit is doing in John 14:26, John 16:13-15, Romans 8, 1 Corinthians 14 and Jude 19-20. It is all about glorifying Jesus. Praying out your Ephesians 4:7-12 ministry gift/calling in is about bringing forth God's glory in you and glorifying Jesus relative to His desire for that gift given to you. The Holy Spirit receives from Jesus (John 16:14) His knowledge and desire for your ministry calling and works to show it unto you as you pray in tongues.*

WHAT *you know in your mind is not necessarily what is operating in your spirit. What you know in your mind may be that which leads to the things of God operating in your spirit. But until you apply what you know in your mind, you cannot have the operation in your spirit.*

KNOWING what your Cornerstone has said about Me and what I am to do, why do you think you can receive everything your Father has promised and become everything He has planned for you without interacting with Me as described in the words of the Cornerstone? Do you realize that rejecting Me and what I can do is also rejecting your Cornerstone and what He has said? Do you realize that this is parallel to what the religious leaders of the Jews did? They rejected Jesus and His words, which was rejecting the Father. Had it not been for the hardness of heart of the religious leaders, the general population of the Jews would have readily accepted Jesus as the Messiah. But the religious leaders sowed false doctrine into the hearts of the people, coating it with misused passages from the Law and the prophets, to lead the people astray.

Do you not see that the same thing has happened in the Cornerstone's Church? Your religious leaders have not denied the Father or salvation through the Son, but they have sowed false doctrine into the hearts of the Father's children, coating it with their own interpretation of scripture, and have led the Father's children away from Him instead of closer to Him. It is My job to lead you closer to your Father and your Savior. But I can only do this if you let Me work in you. You have heard this night of the things I can do in you and through you; why would you deny yourself the benefit of My assigned role in your life?

Do you understand that every time you pray in tongues, you are experiencing a literal miracle in your life? Why would you not want to experience a miracle of God? Can you see how your religious leaders have kept you from touching a miracle by teaching against the words of the Cornerstone concerning what He said about Me? Why would you want to submit to the teaching of someone who denies a work of God?

I am the Holy Spirit, and I am God. I work in you to will and to do of My good pleasure as much as you allow Me. I have made available to you the miracle gift of praying in tongues so you can conform to the image of your Savior. Without My help, this cannot happen; for how do you think it possible to conform to the image of the Savior without divine assistance?

For many of you, your religious traditions have become like unto the Law of the Jews. You have been led to believe that following the instructions of your traditions you can experience your salvation to its full potential. But I say, your salvation did not come from man; therefore, you cannot experience its full potential by the ways of man.

I have been sent to be your Comforter and Helper. I have been sent to glorify the Son in you and through you. Yield yourself to Me and let Me prove Myself to you. Use the miracle you have received - the miracle of praying in tongues - to learn of me and to change into the image of your Elder Brother, the Second Person of the Godhead, Jesus Christ, the risen Savior of mankind.
