

DO YOU REALLY UNDERSTAND FAITH?
PT 2 - UNCHANGEABLE FAITH STANDARDS

Psalm 119:89...1 Peter 1:24-25

- 1) **2 Corinthians 5:7** Christians are to live by, depend on and focus on faith, not natural circumstances.
- 2) **Hebrews 12:2 & Galatians 2:20** A Christian's faith is initially given as a part of the born again spirit.
- 3) **Hebrews 11:1-3** Faith is that which gives constitution to God's promises. "Brick and wood are the substance of a house hoped for." It takes time to build a house; it takes time to use faith to build those things hoped for.
- 4) **Romans 4:13-17 & 2 Corinthians 4:18** Faith is not about the past or the present; faith is about the future.
- 5) **Romans 4:13-17 & Isaiah 55:11** Faith cannot be exercised unless words accompany belief. Even God declares that His Word must go forth from His mouth in order to accomplish His will.
- 6) **Romans 10:17** Faith comes by hearing God's Word.
- 7) **Jude 1:20** Praying in tongues builds us up and establishes us on faith.
- 8) **Galatians 5:6** Faith is put to work, made operative and made active by love (God's love).
