

**DO YOU REALLY UNDERSTAND FAITH?**  
**PT 4 - THE PERFECT SEED**

**Mark 9:23...Matthew 17:19-20...Mark 11:22-23**

The Word **CANNOT EVER** sow discouragement, fear, hopelessness, defeat, anxiety, etc.  
God's Word always sows His life, His nature, His character, His will, His glory, His authority,  
His power, all the He is.

**Isa 55:7-11...Matthew 13:18-23 & Mark 4:13-20 & Luke 8:11-15** The seed is never flawed, it  
is always the same. The problem is the condition of the hearer.

Good Ground: honest and good heart, hear, receive understand, keep, bring forth

**1 John 5:4, 7 & John 1:1, 14** It is impossible to separate Jesus from the Word. Jesus in the four  
Gospels was the Word in action. If we say we believe in Jesus, but dispute aspects of scripture,  
then we don't really believe in Jesus the way we say. The more we refuse to accept the fullness of  
what is recorded in scripture is the level at which we are not accepting the completed work of  
Jesus on Earth.
