

God Wants You PD210822A

Sun Aug 22, 2021

Just as you have sung that you want Me, that nothing else will do, that is how I feel about you. I just want you. I just want you. I want to be in your presence as well. You mean more to Me than anything you can do for Me. You mean more to Me than all of the money that you could ever put in an offering. You mean more to Me than any acts of service that you could perform for Me. You mean more to Me than your attendance in a church service. **You, you** mean more to Me.

You see, I died for you – not for your offerings, not for your church attendance, not for your acts of service – **I died for you**. All of these other things are supposed to be fruit of your relationship with Me. **But I want you**. Nothing else matters. **I want you**.

Learn to fellowship with Me out of relationship and love. I just want you. I just want to spend time with you. In those times of fellowship, you will understand Me more and more. In those times of fellowship, you will understand My love for you more and more. In those times of fellowship, you'll learn how to trust Me more and more. You see, the times of fellowship that we have together are more critical than you realize.

Again, I want you to know, **I just want you**. So come to Me and spend time with Me just like I am your best friend, for that is what I want to be to you. Trust Me. Greater days lie ahead if you will just spend time with Me, says the Lord.
