

## **REVIVAL'S VISION AND CONFESSION**

**If the buildings above can be filled for Allah, then this one can be filled for Jesus.**

Father, Grace Christian Center is a remnant revival church. All the people of this church are hungry for You. They are devoting more time to prayer, worship, Your Word and they are fasting. They are faithful in attendance. The lost are coming in and being saved and filled with the Holy Spirit. Backsliders are coming in and being fully restored. Christians not filled with the Holy Spirit are coming in and being filled. Christians

who are filled with the Holy Spirit and should be attending here are coming in. The sick and injured are coming in and being totally healed. The maimed are coming in and being made whole. Those battling any kind of addiction are coming in and being delivered and set free. Those impacted in any way by demons are coming in and being delivered and set free. People and organizations around the world are sending in offerings in support of Your work in this ministry. There is an overflowing abundance available to fulfill Your will for this ministry. No demon can interfere with or hinder any of these things happening. Grace Christian Center is in revival, our church neighborhood is in revival, and the Miami Valley is in revival.

**PRESS THROUGH THE FLESH**  
**09/20/2020**

*Just as we were singing here, I just felt like the Lord shared something with me – that some of you have been feeling really lousy because you've been pressing into God and your flesh is beginning to be seen, that the light has been shined on it because you've been praying more in the spirit., and you've been miserable. Actually, your flesh, your flesh has been screaming and crying out.*

*What I felt like the Lord say today is, "That's okay, that's okay." You're exactly where He wants you. You're exactly where He wants you. Just don't quit. He says, "You are My son, you are My daughter," and that He only chastises the sons that He loves. Don't you feel loved this morning? Don't you feel loved? Don't you feel loved? Don't you feel loved? Your Father loves you. Your Father loves you.*

*He says, "Don't fret. Don't worry. Don't fret. Don't worry. You're exactly where I want you. Just let My Word have its perfect work in you. Do not walk away. Do not run away. But keep pressing into Me. Press through the impasse. Press through the flesh. There is victory on the other side. There is victory on the other side.*

*Oh hallelujah! It's not the enemy. You may be thinking it's the enemy but no, it's your flesh screaming. But it's being put on that sacrifice, that altar, and soon it will be burnt away and all that will be left is that pure gold. That's His desire, that's His desire for you.*

So do not fret. Do not worry. Just keep coming unto Me, says the Lord. "Just keep pressing in. Just keep pressing in. Never quit. Never stop. Become part of that Joel's Army."

**THE SPIRITUAL ARMAGEDDON**  
**09/20/20**

Many of you have heard prophecies about a great battle in the end times, referred to as the battle of Armageddon. But I want you to know that in the realm of the Spirit, there is a spiritual battle of Armageddon that is getting ready to take place.

The powers of darkness absolutely despise what is happening in the world right now as My children are pressing deeper into Me and I am able to move through them. You have been singing that there's none like Me. I want you to know that the more you press into Me, the more I am able to demonstrate Myself through you to prove there is none like Me. And I will demonstrate My Power and My Glory in the days to come. It will be unmistakable. And yet there will those who dismiss it, decry it, reject it, refute it – but it doesn't matter because it will be Me.

These things have been prophesied in My Word. Take heed. Let no one deceive you, for the deception and its power are increasing. But yet, My truth and its power are increasing. There is a great battle that has just barely begun. But I will win, for I am God and there is none like Me.

So continue to press into Me and you will know My Presence and you will see Me demonstrate Myself through you, says the Lord.
