EIGHT REASONS SATAN HATES PRAISE (#5 - #8)

5) PRAISE FACILITATES SPIRITUAL WARFARE - 2 Chronicles 20:1-24...Psalm 8:1-2 (Matthew 21:16)... Psalm 149:1-9...Acts 16:11-34

At a church service in Mason, Ohio, praise swept through the congregation, rising in crescendo. What people didn't hear in the service, but what was captured on the recording, was something that sounded like an explosion in the spirit.
(Vision of a glory explosion.)

6) PRAISE PRODUCES INNER-CLEANSING - Proverbs 27:21 Many Christians begin crying during praise and worship; sometimes, they can't explain why. Numerous clinical and laboratory studies have been conducted on human tears and what happens when people cry. Among the results are the following:

Tears Release Toxins and Reduce Stress - Tears help the body get rid of chemicals that raise cortisol, the stress hormone. The result is that when crying, people tend to feel various positive emotions such as relief, happiness, like a load has been lifted and so on. Many people begin laughing hilariously after crying (Proverbs 17:22). Several of the chemicals present in emotional crying are the protein prolactin, adrenocorticotrophic hormones, and the endorphin leucine-enkephalin, which reduces pain.

Tears Kill Bacteria - Tears contain the fluid lysozyme that can kill 90 to 95 percent of all bacteria in just five to 10 minutes. Lysozyme can kill certain bacteria by destroying bacteria cell walls — the rigid outer shell that provides a protective coating. A 2011 study published in the journal *Food Microbiology* found tears have such strong antimicrobial powers they can even protect against the intentional contamination of anthrax.

7) PRAISE REMINDS SATAN OF WHAT HE LOST - Ezekiel 28:13-19 Christians are now the ones who are anointed to worship, are perfected in that anointing and release an anointing when they worship.

8) PRAISE REMINDS SATAN OF THE RESURRECTION - Ephesians 1:19-20... Hebrews 10:12 Every time we praise we are singing to a living Savior who was crucified, but rose from the dead and is seated at the right hand of God.

These reasons are examples of why Satan fights true praise and worship in churches and why he tries to keep Christians from worshiping in spirit and truth.

WORSHIP IN HEAVEN AND EARTH

20-070804-3

There are many in My church who have often wondered what it would be like to be here with Me in Heaven, worshipping Me with all the saints who have gone before. I would have you know that I thoroughly enjoy that worship. And for those who are worshipping Me, those that are here, it is truly a magnificent experience.

However, when you worship Me on earth, you literally bathe My presence with My worship. It creates an atmosphere up here that is not exactly the same as what is created by those who are worshipping Me up here. For you see, the ones who are here that are worshipping Me are not facing all the hindrances of circumstances, problems, sickness, emotions, and all of things that would try to hinder and interfere with worship.

But you, for you to worship Me from the very depth of your heart, you have to lay aside the distracting thoughts. You must force yourself to focus on Me. You have to lay aside the problems, the troubles, the struggles, the emotions, all of these things that would work to distract you. You even have to close your eyes at times to maintain your focus on Me. And because of that, you have to fight at times to worship Me. And that is why the worship you offer up to Me means so very much: it's because you have to press through all the hindrances of the world and of the natural to release the worship.

It means much to Me for those who are here with Me to worship; but yours means much to Me in a different way. As you worship Me from your heart, laying aside anything that would hinder or interfere, it does create an atmosphere for Me to work in your life.

So take your worship seriously, because that is how I take it. Do not dismiss the times that you gather together as just times to sing songs. Take every opportunity that is afforded you to worship Me in spirit and in truth so that you can create an atmosphere wherein I can work to bring about My will. The more that you worship, the more that you will experience My presence.

STEPPING DEEPER INTO GLORY

20-070812

You are stepping deeper into My glory and My presence. You're doing this, in part, through your worship. For you see, the fullness of the path into My presence and My glory includes walking in an area of worship where few have walked.

You are making progress; and I say to you this day, do not stop your worship. For I have spoken to you many times over the years about your praise and about your worship. Many of you have taken heed; and some of you, these things have not yet broken forth out of your heart and it's because, in part, you have never truly worshipped Me they way that you could, the way that I desire. But I say to you this day, there is a place in Me that you have reached,.

For you see, as I am seeking people to worship me it's not simply so that I hear your worship, but it's because your worship enables Me to work in you in a very special and unique way. So I

say these things again to you to encourage you to worship Me; to motivate you to worship Me. Lay aside your flesh, lay aside your emotions, lay aside anything and everything that would hinder you from truly worshipping Me.

I am looking to take entire congregations into the depth of My glory. Every church that will worship Me will continue to walk that path. Worship is absolutely a vital key to experiencing all that I have for you. I make myself available to you; come into My presence. Come deeper; come deeper through your praise and your worship. And I promise you, that if you do not give up on this, the day will come when you will break through into a new dimension of My glory and My presence.

WORSHIP FOR STRENGTH **20-070819**

The day is coming when you are going to be glad that you have learned how to praise Me and how to worship Me. For the day is coming when you are going to realize more than ever the value of your praise and worship as you lift it up to Me. The day is coming when you are going to realize just how important it is for you to worship Me in spirit and in truth. For you see, the day is coming when you are going to need the strength and support that comes through praise and worship as you pour out your heart unto Me.

As you worship Me there is a type of spiritual strength that is released that comes no other way but through worship. And the day is coming when you are going to realize how much you need that strength. Because you will have praised Me and worshiped Me, and because you have laid down your flesh and taken charge of your emotions and forced them to bow the knee to what your spirit wants to do, you're going to understand how to enter into a place with Me. For my strength abounds and My glory is ever-present.

The day is coming that you are going to be so glad that you have trained yourself to praise Me and to worship Me and to lay other things aside, because you will need that strength and you will need My presence in a way that you've never known.

So I say to you this day, continue to praise Me and worship Me. Continue to condition your spirit to enter in to that special place with Me through your worship. Continue to do this and continue to prepare yourself for those days when you are going to need Me more than ever. But through your worship and through your praise you will find Me. I will be there for you; I will release unto you more strength and more glory than you have ever known.
