

WORDS FOR MEDITATION (19)

Luke 15:11-16 Christians who turn from the solid truth of Me, their Father, are eating with the swine and don't realize it. My Word cannot be altered, yet man continually writes revisionist scripture to fit what he determines should be truth. Do you not understand that when I said My Word is forever settled in Heaven, I meant it (Psalm 119:89)? When My Son prayed for My will to be done in earth as it is in Heaven (Matthew 6:10) it was a declaration for the fullness of My Word to be released, at work and manifested. You can feed on every wind of doctrine that will tickle the ears of your flesh, or you can feed on My Word that will nourish your spirit toward the fullness of your salvation.

2 Corinthians 12:7 A person who is a carrier of a disease needs to be quarantined or he will infect and impact the people he comes in contact with. Satan is not as concerned about Christians as many Christians seem to think. But the moment you become a carrier of the Word, he wants to quarantine you so you do not infect and impact the lives of people you come in contact with. He doesn't even care if you are a pastor, just as long as you do not become a carrier of the Word. This is one of the reasons you encounter so many challenges when you make a decision to go deeper in My Word. Carriers of My Word are a severe threat to Satan and all he represents.

Hebrews 6:18 The power that causes a promise of God to come to pass is in the promise itself. God cannot lie and every promise is empowered by His divine eternal nature. God's Word is the only thing that causes the promises in His Word to manifest, for not even the Holy Spirit can bring to manifestation that which has not been promised. I was the promise of God and I was made flesh and dwelt on the Earth: If God could bring to manifestation that miraculous level of promise, why would you doubt that He can bring to pass every promise?

Ephesians 5:18-19 I have given you worship as a form of self-therapy. Worship is anointed; clinical therapy and counseling is not. My heart aches for those of My children who seek what they call clinical and professional therapy and drugs to cope with their emotional upheaval when the answer is already in their hearts. I am not the author of confusion and I have not given you a spirit of fear. Therefore, if those or similar things are bombarding your emotions and you are struggling with times of emotional distress, you are entertaining things that are not of Me. Worship is a path into My presence, My strength, My joy, My peace and My emotional stability. Too many of My children seek for others to pray for them and minister to them to try and help break the heaviness and weight that seems to anchor them in life. But I say, worship Me and My glory will dispel the clouds of emotional angst. Therapists cannot analyze the true makeup of the human soul and spirit. But since I am the one who originally created the human soul and spirit, I know best how to help and I tell you, worship is a kingdom key to living free from emotional distress.

2 Corinthians 3:18 Most of My children do not know what the glory of Christ is. My Word presents to you a description of the glory of Christ. As you feast on My Word you will behold the glory that awaits you. If you are not beholding, how can you change? There will be no image before you. You can conform to the glory of man's teachings, which is a false glory, or you can conform to the glory of My Son. The more you behold His glory and press into it, you will progress from the glory of man's teachings to the glory of Christ.
