

Take Holiness Seriously (PD230426A – April 26, 2023, 10am)

You have been hearing messages this week about purging and about turning from sin, about repenting, about holiness. I look upon the hearts of My children and I see many who are hearing these messages, and they are not receiving it.

This cry to holiness is ringing out throughout the world, and yet far too many of My children are not taking it seriously. There are even some in this room now—you are hearing it, you are agreeing with it, but you are not applying it. And I say unto you, you have no idea what you are doing. This is a very foolish game you are playing.

No human on Earth has ever known the level of perfection in which Adam and Eve lived prior to the Fall. You may say, “But Jesus Your Son, He knew,” and I tell you, He did not know, because when He was on Earth, it was already fallen.

Adam and Eve were the only humans to exist on Earth who knew what it was like to be fully clothed in My Presence and My holiness. But you may say, “But Jesus knew.” He knew to a point, but remember, His body was not glorified.

There are too many of My children who are taking the call to holiness with a very flippant attitude, and I say unto you, I love you, but you need to understand, I hold you accountable to the standards of My Word. I will judge you for all eternity based upon the standards of My Word.

This is a time of cleansing; it is a time of purging; it is a time of repentance. It is a time of preparation for the return of My Son. You need to understand, I said in My Word that I am God and I change not, and if I change not, My Word does not change. Societies have changed, technology has changed, much has changed in the world. Throughout the entire existence of humanity, much has changed, but My Word is a constant.

The world does not define My Word, but My Word defines how you should live in the world. And I say unto you, please, take this seriously. Help yourself by asking Me to help you examine your life, allowing Me to point out the things that need to be changed. And some of these things you already know, because there has been conviction within you to stop this, to cease that and start doing something else.

My desire is to use you in the same way that I used My Son Jesus, but in order for that to happen, you must come to the place of living by My will and not yours. I understand it is a growing process for you, but you must make that effort, and you must do it. And I say unto you: accept correction and rebuke when it is based on My Word, because it is only being delivered to help you align your life with the fullness of who Christ is in you.

So take My Word seriously. Live according to My Word. Make the decision to totally mortify the flesh, following the example of the Apostle Paul and keep under your flesh. Bring it into control as who you are as My child, and you will see things happen in your life that you only hoped to see. My Word will come to pass in you and through you. So make the decision to lay

aside that which is holding you back. Press in to Me, and eventually, you will begin to see the works of My Son worked through you, says the Lord.
