

No Striving in God's Presence (PD220102C – Jan 2, 2021)

There is no striving in My presence. There is no striving in My presence. Sweet, sweet fellowship. There is no striving in My presence. There is no striving in My presence. Just sweet, sweet fellowship. Come unto Me, come unto Me, for I am your peace. Come to Me, come on to Me, for I am your peace.
