

God is Training Us (PD220116 – Jan 16, 2022)

God is saying, So many of My children are seeking more of My presence, but I desire that you become more aware of My presence. I said in My Word I would never leave you nor forsake you. That means that My presence is always available. I want you to become more aware of My presence because I am always with you. I am training you during times like this to become more aware of My presence.

In My Word I said that you are to redeem the time. Redeeming the time means that you are to take advantage of every moment of your life in a unique awareness of My presence. This is very possible. You can be aware of My presence no matter where you are, no matter what you're doing. For I would say unto you, did not My Son demonstrate this type of awareness when He was on the earth? You, too, can experience the same, but it requires you to make the effort to develop this sensitivity. It doesn't just happen.

Take advantage of every opportunity to focus on Me, to receive from Me, to acknowledge Me, to be aware of Me, to know that I am with you, to be aware of My presence on a continual basis. I need you to be aware of My presence in this fashion because, as you are aware of My presence in this way, you will know more clearly what to do, what decisions to make, what direction to go, and how to be obedient unto Me. You will also come to know more clearly My will for your life and your ministry.

So receive from Me during these times of training. Receive from Me throughout the day and come to the place of being fully aware of My presence on a continual basis. And I say unto you that My joy will be full in you, for did I not say that in My presence is fullness of joy? So do this and you will experience an absolutely incredible transformation in your life and come to a place of knowing Me in a way that you have never before known Me.
