

You'll Never Fully Understand (PD220417 – April 17, 2022)

You sing many songs about the cross, My shed blood, the price that I paid, the penalty for sin, My resurrection. You need to understand that all of these things that you sing, as true as they are, they are statements of faith. For you see, you will never know how bad off you were with the sin nature. You'll never know the fullness of what I did for you. I have done My best to describe it in the Bible; but even then, the fullness of what happened goes beyond what you can totally comprehend. But know this, the more you press into Me is the more you will discover how much change has taken place in you. The more you understand all of the change that has taken place, the more you'll understand how bad off you were without Me.

I know what took place. I know the depths of it, the fullness of it and no matter how much I suffered for you, to Me, it was worth it. The reason is because you are worth it. I will never turn My back on you; I ask you, don't ever turn your back on Me. I will always be there for you. No matter what, I will always be there for you. Trust Me with every moment of your life and you will not see failure in the Kingdom. You will go from one victory to another to another and to another, until the day I return for you. I am your salvation. I am your everything and you are everything to Me, says the Lord.
