

Bringing Forth Rivers of Living Water (PD220427 – April 27, 2022)
(During the Revival Now! Conference)

The Lord says, In these services much Word is being sown into you. But I want you to know that I am in you working with this Word that's being sown. What is being delivered unto you is there for a purpose and that is to bring forth My glory, to bring forth those rivers of living water. I am working in you with this Word that is being sown this week.

Do not look for feelings. Do not look for some type of physical confirmation, but receive from My Word the confirmation, for I have said that I am working in you to will and to do of My good pleasure. And My good pleasure is to use you, every single one of you, those in physical attendance and those who are watching. I plan to use you in this revival. I plan to use you in this outpouring. I plan to move on you so that, indeed, out of your belly will flow rivers of living water.

When this happens, and you begin to see the results in the lives of other people, not simply the signs and the wonders, the miracles, the healings but also the changed lives, those who accept My Son as Savior, as you begin to see this happen, you will not be in shock. You won't be surprised; you will understand that it is a normal thing, because when those rivers are flowing out of you and touching others, they produce the life they are carrying.

Even now, some of you would be very surprised at seeing someone healed when you pray for them, but that is going to change. For you will understand that what I do through you is normal for those who believe in Me. You will live in the normal of My Kingdom, and you will see the same things that My Son saw as normal. They will happen through you and there will not be pride, for you will have mortified the flesh and the pride, and you will see yourselves as My children but also as My servants, My hands extended, My voice extended. And you will rejoice in the fact that I am working through you. So I say to you, do not take these things lightly. Do not take these services lightly, for this is a work that I am doing in you, and it is a week of great transformation, says the Lord.
