

You Are the King's Child (PD220622A – June 22, 2022)

*Just as we were worshiping I saw a big castle. What rose up in my heart is we're King's kids. And the Lord just spoke gently. He said, So many in this room even don't believe it. You don't understand your worth. You don't understand that, in His Kingdom, you are royalty. You're always talking down about yourself. You're always doubting that the promises are for you. But when you do those things, when you say those things, it's in complete contradiction to God's Word. For it's not just me that's a King's kid or Pastor Jim, but you are a King's kid. He says there's a bunch of princesses and princes in this room and the Lord wants us to believe that tonight. I even saw Him handing scepters to us and that's His authority and His name. But even now you got to believe it. You know it in your mind, but you don't know it in your heart.*

*So right now, we just come before you Lord. Father we repent of every time that we have spoken contrary to your Word, contrary to the royalty that you have made us. We declare that we are King's kids Lord, every one of us even when we don't feel it. But our words will line up to that. We will receive the crowns and the scepters that you have for us Lord and the robes. Can you receive it tonight? Can you receive it tonight? It's like, God, you're weeping over some of us. Even now you won't believe it. You refuse. You're refusing. Receive it tonight. Receive it tonight. Even if it's by faith and you have to reach out your hand and just grasp hold of that scepter, you just go ahead and do it. Thank you Lord. Thank you Lord. Yes Lord. Yes Lord. Oh, His pleasure is upon us tonight. Oh, the pleasure of the Lord is upon us tonight. He is so pleased. He is so pleased. And He's pouring out Himself upon us now. Receive. Receive. Receive from Him tonight.*
