

Scripture Gives a Revelation of God (PD070622 – July 6, 2022)

So many of My children are crying out, wanting a greater revelation of Me and want to understand Me. They want to know more about Me. But I would ask you, how much more of a revelation of Me, of who I am, what I can do, would you want beyond what is recorded in My Word? I have given to you the fullness of the revelation of who I am, what I can do, what I will do, how I act, what I think, how I speak. All of this is recorded in My Word.

When My children cry out to know Me, as if they don't know Me, what they're actually saying is, "I don't want to spend time in Your Word, oh God, I'd rather have you move sovereignly or uniquely in my life to bypass Your Word." But I would have you know that's not how I work. I gave you My Word so you could know Me, so you could understand Me, and the more that you get into My Word is the more you are going to understand what I will do in your life – how I will help you, how I will speak to you, how I will deliver you. All of these things that you seek are already recorded in My Word.

I encourage you, get into My Word because it is a written form of My life. It is Me in print form. Get into My Word. Read it. Sow it deeply into your heart. Meditate in My Word. The more you do is the more that the questions you have about Me will be answered. So I want you to understand, you can know as much about Me as you desire, but you must get in My Word because through My Word you will receive the revelation of these things. I have hidden nothing from you, and I am holding nothing back. But I am saying, get into My Word, read it closely and come to the place of understanding who I am, what I am, what I will do, how I will help you, how I'll move in your life and on and on. I want you to know Me. I know you and the more that you know Me is the more that we will walk in fellowship together. I am not a mystery to you. Get in My Word and receive these revelations. I will reveal Myself to you and show you great things about who I am to you as your Father, says the Spirit of the Lord.
