

Worship for Joy and Strength (PD220911 – Sept 11, 2022)

The Lord says, It doesn't matter what you're going through and all of the worry and stress, anxiety – those emotions which comes so hard against you – I say to you, sincere worship will lift you out of that emotional pit every single time. Sincere worship will always produce deliverance. The circumstances may not change, but sincere worship that comes from the depths of your heart will change you. It will bring about the joy of the Lord which will bring about an inner strength to endure through the trial. So I say to you, whenever you are facing those challenging situations, open your mouth and release unto Me sincere worship that comes from your heart and you will experience the joy of the Lord.
