

Baptized With Fire (PD220925 – Sept 25, 2022)

Much is said in My Church about what My Son said about being filled with the Holy Spirit. Much is said about what was prophesied that He would baptize you with the Holy Ghost. But not much is said about the prophecy that He would baptize you with fire. I would have you know about this fire. It is a spiritual fire of purity and holiness that has been sent to burn up the chaff within you. But it is a fire to which you must submit. It is a fire that indeed will work a perfecting work within you, but it doesn't simply happen just because you're baptized with Holy Spirit. You must want this purging to take place.

Just like you had to come into agreement with the Holy Spirit to be filled with the Holy Spirit and received that gift of tongues, you must also come into agreement with Me concerning this baptism of fire, allowing it to burn within to bring about the purging and a cleansing that needs to take place. It will burn. It will purge. It will cleanse. But you must receive it.

Sadly, too many of My children are more concerned about having an experience with the Holy Spirit while ignoring an experience with My holy fire. I say to you, both are critical and both are important. You need both. Open yourselves up to this purging fire of My perfecting holiness. Let the chaff be totally and completely consumed so that the purity of who you are in Christ will come forth and shine with My glory in this fallen world, says the Lord.
