

Make God the Priority (PD221113 – Nov 13, 2022)

You have sung songs wherein you have declared that My presence is all that you want and all that you're seeking. But I want you to know the same is true for Me. Your presence is what I am seeking. I want you to fellowship with Me. I want you to spend time with Me. I'm willing to spend time with you as much as you want. But I want you spend time with Me.

There's so much I want to give you, so much that I want to do in your life. But you find it so easy to be distracted by the things of the world. On occasion that could be sin, but generally it's just the day-to-day things of this world. I want you to learn to be focused on Me more than those things. There's so much that has your attention beyond those things than what you realize. I want you to focus that attention on Me. I am not saying that you should cut off everything about the world, because there are things I want you to enjoy in this life.

There are things that are okay to enjoy, but I want to be the priority. I want to be number one in your life. My Word says that I am jealous over you, and that is true. I want you to think long and hard about your life, about your focus, about what you want in life. For did I not say in My Word that if you will delight yourself in Me that I will give you the desires of your heart? That doesn't mean I give you every material thing that you want. What it means is that when you delight yourself in Me, the desires of My heart start becoming the desires of your heart, and we begin walking in greater and greater fellowship.

There is so much about Me I want you to know and experience. So I say to you, evaluate your life. And I ask you to please make a decision to make Me the priority of your life. Because if you do, you will experience things with Me that you've only heard about, but they will become a reality.
