

The Confusion is Not From God (PD221120B – Nov 20, 2022)

*There's somebody, you are really struggling, and there's a lot of confusion going on in your life. The Lord wants you to know that He loves you, but you've allowed this to happen because you have not followed through with things that you've heard, things that you know that you should do. You have repeatedly allowed doubts, and even unbelief, to enter into your heart and mind that has kept you in this place. And He's saying, My grace is sufficient for you, just as it was for the apostle Paul. And if you want this to clear up in your life it can, but you're going to have to step out and fight this inner battle and win it because the victory is already yours through Jesus.*
