

## No Lost Causes (PD230212B – Feb 12, 2023)

The Lord says, there is no such thing as a “lost cause”. Too many of My children look at others and think that this person or that person is a lost cause. But I want you to know that there’s no such thing as a lost cause. The problem is that too many of My children are trying to be the Savior to the people they know. And you can’t do that. I am the Savior, and the only reason that I am not saving more people is because they aren’t calling out to Me and asking to be saved. I’m ready. My grace is extended. I am prepared to receive them, no matter what they’ve done. I am prepared to receive them.

Too many of My children speak harshly about those they don’t like, especially when some of those people are politicians. Do you not understand that My Son hung on the cross for them? Do you not understand that? Why are you speaking so harshly and so cruelly about people My Son died to save? The only reason that people are not saved is because they aren’t calling out to Me. Because the moment they do – the moment they do – I will change their lives. I will translate them out of the power of darkness and into the Kingdom of My dear Son. So please know there’s no such thing as a lost cause.

Many have wondered, “What is the unpardonable sin?” I will sum it up for you. The unpardonable sin is that which is committed by a person when they come to the place of believing they do not need salvation, that they are good enough the way they are, and they reject every attempt by the Holy Spirit to convict them and draw them to the cross. That cannot be forgiven. And why can it not be forgiven? Because those people do not want to be forgiven. They believe they are an equal to Me, and that is the same thing that happened with Lucifer. He believed that he was an equal to Me and saw no need to repent or to ask My forgiveness for his pride. He is a “lost cause,” and all of the angels that followed after him, they are all a lost cause.

So don’t ever give up hope. Unless I give you a divine revelation of what’s going on in somebody, don’t ever give up hope that they still could repent, no matter what they’ve done. I want you to see people – no matter what they have done, no matter what sins they have committed – I want you to see them as savable, and pray that their eyes would be open, and that they would call upon Me, and I will save them. Do not give up hope. I will save everyone who calls upon the name of the Lord.
