

Intercessors are Rising (PD230611 – June 11, 2023)

*There is a new thing that God is going to start doing in some people's lives. He's going to cause more intercessors to rise up in this hour and begin to pray, and at first, when it comes upon you, you may not recognize what it is. But it's really just the call to pray and to intercede. One of the best ways to do that, obviously, is through tongues.*

*So, as you sense the Lord prompting your heart saying, Just come away with Me and pray, don't wonder what it is, just begin to pray and allow Him to pray through you and use your tongue. And I'm sensing from the Lord the words that can be said have been said and now we have to release the Spirit to move. And part of that release is praying the perfect prayer in tongues and allowing Him to do what only He can do – thank you, Jesus – because I see many coming back. Many coming back. Thank you, Jesus.*

*And Lord, I just prophesy that now Lord, come back, come back children of God to your Father. Run away no more. Run away no more. Completely surrender to Him. Come back to your Father. Come back to your Lord. Come back. Come back. Come back. Oh, your Father is here with open arms, waiting to embrace you and cover you with kisses, come back. Come back. Come back. We just say every prodigal son come back in Jesus' name. Thank you, Lord. Thank you, God.*
