

Worship is a Kingdom Key (PD230719 – July 19, 2023)

I gave an instruction to the apostles that whatever they would bind on Earth would be bound in Heaven and whatever they loosed on Earth would be loosed in heaven. But I prefaced that by saying that I would give to them the keys to the Kingdom.

What this means is that, if you are not operating by the keys of the Kingdom, then you will most likely try to bind what cannot be bound and loose what cannot be loosed, because if you are operating by the keys of the Kingdom, then what you bind will have already been declared as being bound and whatever you loose will have already have been declared as being loosed.

To operate in the Kingdom here on Earth, you must operate by the keys of the Kingdom. One of those keys is worship. Far too many of My children do not understand that worship is a key to operating in the fulness of Kingdom power, And I say unto you, please take note of this and understand that worship has been anointed to be a key in operating in the fulness of the Kingdom. It is a key to operating in the fulness of Kingdom authority on Earth.

If you will read through the book of Psalms, you will see instruction after instruction on how to worship Me. Take this to heart. Some of you have allowed yourselves to be put in bondage because of various circumstances and habits, behaviors and so forth that take place in your life. But I say to you, operating by the keys of the Kingdom will absolutely deliver you from every form of bondage. Worship is one of those keys.

I've already declared that I will set you free, but walking in that freedom requires you to operate in the keys to the Kingdom. So, I say unto you, make worship a part of your life. Many, many Christians are living daily in some type of bondage from which they could be totally set free and experience that freedom if they would just worship.

So be encouraged to know that worship is absolutely a key to operating in Kingdom authority and Kingdom power. And when you are given the opportunity to worship, especially in these church services, you absolutely should take advantage of it. Redeem that time. So know this, if you will operate by the Kingdom key of worship, you will see change in your life, says the Lord.
