

The Door of Praise and Worship (PD230917 – Sept. 17, 2023)

There is a realm of My presence that few have ever entered into. The door into that realm is labeled “Praise and Worship.” The more that you yield yourself over to worshipping Me is the more that you pass through that door and begin to experience Me on a much deeper level.

As I have told you before, there is an aspect of My presence that can only be accessed through praise and worship. So many cry out for more of Me. So many cry out to have a deeper experience with Me and I am telling you that it through praise and worship that you can have this experience. It is very important for you to understand that this does not just apply to when you are gathered together for a church service, but it also applies to your personal time with Me when you are away from church.

You can enter into this realm of My presence. And know this, there is no limit to the amount of My presence that you can experience. The more you press in, the more you will understand that you can continually go deeper. It is in My presence that you will find that change becomes easier and easier. It is in My presence that you will understand how the things in your life which need to be removed can be removed and it won't be as difficult as you thought, because in My presence you will understand even greater and greater exactly who you are and what you can do in Me.

So, be encouraged to know these times of worship are not wasted times. They are times that give Me an opportunity to minister to you on a very personal level. Take advantage of this. No matter what your age, take advantage of this, and come to know Me in a way that few have known Me over the centuries. You will come to a place of being used by Me in much greater measure than what you have anticipated. So, continue to press in and continue to experience greater and deeper levels of Me, and I say to you, your joy will be full.
