

The Clarion Call (PD240107 – Jan 7, 2024)

I have sent out a clarion call to My Church throughout the world, calling My children to a place of intimacy with Me. It's not just because I desire intimacy with you, but it's because out of that intimacy I am able to work through you to accomplish My will in the earth. Far too many of My children sit back and think that I am just going to move arbitrarily and accomplish whatever I want regardless of what My Church does. But I want you to know, it doesn't work that way. You see, had not My Son Jesus been obedient to Me and allowed Me to work through Him, I could not have accomplished through Him what I did. Remember, He said, "Not My will but thine be done."

This is the call that I have sent out to My Church around the world. It is about My will and not yours. You interpret – too many of you interpret – life on this planet as being long and laborious. But I say unto you, My Word confirms that your life is but a vapor. Compared to eternity, life on this Earth in the natural is not even a blink of an eye. Yield to Me and let Me work through you and I will be able to accomplish much; much in you and through you to bring about My will in this world. You can ignore this and as long as you stay true to Me in your relationship with Jesus, you will spend eternity with Me. But you are not going to have more of Me if you do not spend time with Me.

So, the call has gone forth. I'm calling My Church into this place of intimacy with Me so that I can work through you to bring about this outpouring and revival you speak about. It will come to pass. I will work through those who yield to Me. But the more who yield to Me, the more I am able to accomplish through them. So, My question to you is this: will you lay aside the distractions of this world and the distractions of your day-to-day life, and spend time with Me? Will you do this? Because if you will, you are going to witness Me do great things in you and through you, says the Lord.
