

God's Arms of Love (PD240211a – Feb 11, 2024)

“Arms of love” is a place of intimacy. Jesus has already provided everything needed on the Cross. But in that place of intimacy is where My people will begin to learn how to receive everything that I’ve provided. Some of you have been crying out and saying, oh Lord, help me. The help you need is found in intimacy with Me. Come close My beloved, come close My beloved, come so near and you will see that it won’t be so hard to receive. You will see that every need is met here in this intimacy, here in My presence.

I’ve been longing for a closeness, a deep desire in your hearts is what I’m looking for to come and be with Me. The intimacy is a place where you can receive what I’ve already done. So, come avail yourself for it truly is out of a place of love that I’ve provided all these things for you through Son and the finished work that He did.
