

The First Love Priority (PD240211d – Feb 11, 2024)

*The Lord wants to melt away all the things, all the things that are keeping you from Him, from going deeper with Him. He wants to melt all those things away because they hinder, they hinder, they keep you from going deeper. He wants you to spend more time in His presence. He wants you to spend more time in His presence and these things will melt away. But you have to make Him your first love. You have to do this, this has to be done, this has to be a priority and these things will melt away. They're keeping you back. They're keeping you from going deeper with Him.*
