

We Have the Tools (PD240407 – April 7, 2024)

I have given you all the tools you need to succeed in this life. If you fail, it's because you didn't use your tools. You cannot build a house without tools. The same is true for a spiritual house. The tools I have given you are spiritual, and they can be found in My Word. Your lack is because you have failed to use the proper tools for the job. I am the Master Carpenter and I design each house to fit My need. If you follow My blueprints, you will build an edifice worthy of My habitation. I am coming soon.
