

Relentless Pursue God (PD20240519 – May 19, 2024)

You have been singing how I will not relent until I have all of your heart. And that is true because I am constantly reaching out to you. I am constantly moving in your life to the degree you allow Me. But I say to you, I want you to become relentless in pressing into Me to uncover the fulness of what I want to do in your life. Some of you not only understand what I want to do, but you're also pressing in and experiencing what it is I want you to do at this stage of My will. But you need to continue.

And there are those of you who are not pressing in enough. I have something great and amazing that I want to do in you and through you, but I need you to be relentless in your pursuit of Me, My presence, and My will for your life. This is extremely important. As I've said in My Word, My thoughts for you are thoughts of great victory, thoughts of My anointing, thoughts of My presence, thoughts of My glory filling your life. This is what awaits you, and even more awaits you if you will continue to press in.

Continue to be relentless. Be diligent about this. Do not take it lightly because there is so much that I want to do in you, and it is all very good. There are many victories that are awaiting to take place in your life, but you must keep pressing in. There are things in your lives that are distracting you. You must, *must* mortify those distractions so that you can relentlessly press into Me, hear Me, and know My will for your life.

Please believe Me, there is no one that I have exalted higher than you. Do not think that I have My hands upon some Christians to bring about something more in them than I want to bring forth in you. I see all Believers as being equal in Me, yet each one has a different assignment and a different purpose in this world. So please believe Me when I tell you I do not see you as a second-class citizen in the Kingdom of God. I see you the same that I see others. So please, become more and more relentless in your pursuit of Me. The things that you have thought would not happen will happen and I will use you mightily, says the Lord.
