

Worship is the Key (PD241013 – Oct 13, 2024)

*The Lord wants you to know that, Worship is the key that will unlock the door to the peace you've been seeking. Thank you, Lord. Thank you, Jesus. Thank you. Thank, you Lord Jesus. Praise you Lord. Bless you Jesus. Praise you. And just like you can walk into a darkened room and turn on the lights so that you can see everything in that room, if you close your eyes, you will still be in the darkness. Once you have entered that room of peace, do not close your eyes to what I am offering you. In this place, this day, you have entered in through your worship and My peace is here. Do not close your eyes to it. Receive it. Receive this piece, for if you close your eyes to it you will continue to experience the inner turmoil and disruption. Worship has brought you here. Now receive what I am offering, says the Lord. Thank you, Lord. Thank you, Jesus.*
