

Change is a Challenge (PD241208a – Dec 6, 2024)

Transition and change can be a very difficult thing, and it can be a tremendous challenge to everyone. My will is for you to transition and change from trusting in yourself to fully trusting in Me. This requires a lot of work. It requires a lot of diligence and spending time with Me. For you see, the more time that you spend with Me is the more you're going to learn how to trust Me and believe that you can trust Me. When you become worried over challenges that you face, that worry is not based out of a confidence in Me, but it's based upon what you perceive as an inability within yourself. Worry does not come from My life in you. It comes from emotions that have not been brought under submission to My life in you.

I want you to transition from trusting in yourself to trusting in Me. If you truly believe Me, then you know that I have your best interest at heart. I love you. I truly love you and I want you to trust Me. Remember, I am God and I have the power to create a universe. Therefore, I have the power to help you no matter what you face. Keep pressing into Me and continue to learn how to fully trust in Me and not trust in yourself. I will bring you into the fullness of My will and you will know Me more than you have ever known Me in your past. And you will come to trust Me implicitly no matter what happens and no matter what other people say, for I am God, but I am also your Father.
