

It Takes Humility to Know God (PD241222 – Dec 22, 2024)

*The Lord just showed me that there are some people here who have questioned His faithfulness., almost like you know the songs “Great Is Thy Faithfulness” and all these things, but you're really not sure He's faithful. The Bible says He cannot lie. But even in that, you're not sure about the Word. Is it truth? Some of it you might believe, but not all of it. It's kind of hard what's He's saying, so I'm just going to say it. But what he's saying is that you haven't really been seeking. So you're questioning Him and you're doubting Him, but you're also not really seeking Him. The Lord says unto you that, When you seek Me, you will find Me if you search for Me with all your heart.*

*You've been wanting God to prove Himself to you, but there's been no seeking, no true question as to how things work in the spirit. His promise is when you seek Him, you will find Him, not, “God prove yourself to Me and then I'll believe.” That's not it. It's not the way. What it takes is humility. It takes a humbleness of heart to say “God, I just I really want to know you, Lord. I want to know that you're real. I want to believe. So, Lord help me, help me to believe.”*

*He is the one true God. He's the one true God. It's your faith in Jesus alone. It's your faith in Jesus alone. You can't have other gods and other philosophies and other ideas. It's Him alone. Right now in this place, we're going to take a minute, a minute for repentance, a minute to search your heart, a minute to cry out to Him. It could just be in your head; it doesn't have to be out loud.*

*So, if you have you been doing business with God, no matter where you stand in your walk, you want to pray and rededicate your heart and life to Him, we're going to give you an opportunity to do that. If that was you with the unbelief because you don't believe He has been faithful, I encourage you right now just to repent and say “Father, I'm sorry for not believing that you've been faithful to me when I haven't been seeking You.”*

*For everyone else, whether you've ever committed your heart to the Lord or not, if you want to recommit your heart today, maybe for the first time. it doesn't matter, just go ahead and pray these words after me. Say “Dear Heavenly Father, I love You, I believe in You, I believe in what Jesus did. He died on the cross for my sins. I receive by faith forgiveness and the new life that comes from You.” Say that “Jesus is the way the truth and I thank you I'm adopted into your family. I'm a child of God. Help me this day forward to trust You, to believe in You, to not doubt You, to live my life for You in every area, in the name of Jesus Amen.”*
