

## **THE INCENSE OF WORSHIP PD210426B**

**April 26, 2021**

As in the early days of the tabernacle that I instructed Moses to build in the wilderness, and the incense began to arise from before the Holy of Holies—with great pleasure I received those first burnings of incense representing the worship and the prayers of My people. But even then, I sought for the day when I would have My own children on the earth born of My Spirit, who could offer up the incense of true worship in spirit and in truth.

And know this day, your worship arises, arises to Me and brings Me pleasure, brings Me joy, and I look with great favor upon you all. And know this: there are oceans, oceans in front of you, depths of My treasures, depths of My riches that have been untapped for many centuries. But know this, know this: you shall walk upon these waters. You shall walk upon these waters, and the very treasures of Mine shall be yours, and the earth will be blessed and saved and healed, for I am the Lord thy God.
