

THE ANOINTED NAME PD210707

July 7, 2021

There is, indeed, power in My Name. For My Name has been anointed by Almighty God and it carries the power of that anointing. But I say unto you, that too many try to use the authority and power of My Name out of soulish hope and not out of spiritual faith. Too many have tried to use the power and the anointing and the authority of My Name in situations where it will not work. For you cannot use the power of My Name to control other people. But you can use the power of My Name against situations such as sickness, disease, devils and other things as described in My Word.

The more you grow and mature spiritually is the more you're going to understand the power that's in My Name and how to use it. I encourage you, keep pressing into Me, keep learning, keep developing, keep growing and you will come to the place of not only understanding more about the power, the anointing and the authority of My Name, but also in the understanding of how to use it appropriately in your spiritual life and walk day to day.

So, yes, there is power in My Name. And, yes, the day is coming when every knee will bow and every tongue will confess that I am the King of kings and the Lord of lords, the Messiah, the Christ, the Savior of the world. But I say unto you, until that time comes, until you have reached the end of what has been prophesied in My Word, continue to press into Me and know and understand the power that is in My Name because My Name, it truly is the name above all other names, says the Lord.
