

**PRESS HARD INTO GOD PD210711A**

**July 11, 2021**

I have set a path before you and I have said, here is, this is the way, come ye, walk ye in it. I've called you to a narrow path, a narrow path, and there be few who find it. Do not say in your heart, "This is too hard, this is too hard," for I am with you. I'll go before you to light your way. So follow after Me, hard after Me, hard after Me until then.
