

CHRISTIANS HAVE THE MIND OF CHRIST PD210711B

July 11, 2021

As Christians, we have the mind of Christ. With the mind of Christ, there is no room for mental illness, because do you think that Jesus, with His mind we can have a mental illness? You can't have both. So just declare tonight that you are free from anything going on in your mind. Part of our daily mortification of the flesh is to daily mortify these thoughts and we do that by declaring the Word of God.

Including that, on the cross we were healed. It says by Jesus' stripes we were healed. When He went on that cross, He just didn't take our sins, He took our sickness and infirmities. That doesn't just mean – I heard someone tell me that was a spiritual healing. Oh, that included physical healing. We were physically healed. That means 2,000 years ago healing was made available to us.

So right now tonight, if you're dealing with anything, just declare with me that you are healed, that you were healed by the stripes of Jesus. Declare your healing. Take a hold of it, accept it, receive it. It's yours.
