

IN GOD'S PRESENCE PD210829B

August 29, 2021

Have I not said that in My Word, that in My presence is great peace, that in My presence is great joy and in My presence is healing and that in My presence is everything you need right now where you are? In My presence is where I want you to be. In My presence is My heart's desire for you. In My presence is where you need to be. You need to carve out time to be in My presence. You need to make a deliberate decision to be in My presence.

It's not an option for you if I am going to be able to lead you where I need you to go. It's not an option for you if you're going to be a participant in this upcoming Revival that has already started. It's not an option. Jesus understand the value of My presence. He understood the value of My presence. I want you to understand the value of My presence. In My presence you can get everything you need that you can't get any other way.

So this night, make a decision. Don't put it off. Don't delay it. Don't think about. Just make a decision that My presence is going to be your heart's desire, that My presence is what's going to drive you, that you're going to hunger for it [and] that My presence you will not to be able to live without. Make that decision. Make that decision. And when you do, and when you do, you will understand more and more why it is in My presence that I am able to minister to you, to fellowship with you and to love on you in way that I can't do any other way. In My presence. In My presence.
