A Worshiping Church

The Lord says, Because you have made yourself a worshiping church, a church that will praise Me and worship Me – go beyond the limits, go beyond the flesh and go beyond all the feelings – because this is a church that worships, (that’s what I keep hearing that from the Lord), a church that worships, it’s a church that worships. Because this is church that worships, I will show up, says the Lord. I’ll be here in your midst. This is what I seek. This is what I long for. (We have made the decision to worship, but He’s labeled us that this morning. We are a worshiping church. Because of that, not that it’s been the goal, but He is going to show up and do mighty, awesome things.) Grace Christian Center, the worshiping church, and all of heaven knows.
