The Name Above All

The Lord says, My Name is the highest of all. Too many have tried to use My Name in ways wherein it is not intended. Too many have tried to use My Name almost as though it were some type of magical incantation that would force things to happen. If you will study My Word, take note of what I did, the things that I did, you can do also in My Name. But if you try to use My Name outside of what you see in scripture, it will not work. And this is where so many Christians have made mistakes. They've tried to use My Name for their own personal advancement, their own personal gain, to satisfy greed, to satisfy lust, and I say to you, it will not work.

And because of that, many Christians have become discouraged and disillusioned thinking that using My Name will not work. But when you read the Bible, you will see that God has exalted My Name above all others. My Name is greater than every physical affliction you could ever face. My Name is greater than any problem. My Name is greater than any emotion that would try to tear you down. My Name is greater than any demonic power or any demon that would come against you. My Name is greater than anything the world offers.

You must study My Word and understand the true application of My Name. You need this knowledge, you need this information, because it will see you through to the end, see you through to the time of My return. You cannot use My Name haphazardly and expect results. But if you use My Name in line with the will of God, you will see results. Faith in My Name, in line with God's will, produces results. So continue to seek in My Word those things that have been declared, those things that have been written. Use My Name appropriately. Develop your faith and I tell you, you will see victories in your life the same as you read in the New Testament. This is the unchanging Word of God and it will work.
